OF THE

Presbytery of Saint John, N. B.

COMPILED BY

REV. T. F. FOTHERINGHAM, M. A.

SAINT JOHN, N. B.
1886.

General Summary

The Presbytery of St John consists of 43 ecclesiastical parishes, viz: 24 pastoral charges, 9 mission charges, & 10 mission fields. These are supplied by 22 settled pastors, 9 ordained missionaries, & 8 student Catechists. During summer, service is held regularly at 148 places, with occasional meetings at 35 other points. In winter 139 regular stations & 24 occasional are supplied.

Not including city & town charges, & making all due allowance for the cessation of work during winter in the mission fields, the distance travelled weekly in fulfilment of preaching appointments, by each minister or missionary, is 233½ miles, making a total each week of 6638 miles, & a grand annual aggregate of 331,760 miles, or equal to 13⅓ times around the globe! Some pastors travel 38, 43 & even over 50 miles per week. In the foregoing figures no account is taken of pastoral work.

Several of our parishes cover a large area. This is owing either to the uninhabited character of the country

orits /pre-occupation by other denominations
